

# If You're Happy and You Know It

## Barney

If you're happy and you know it, clap your hands!

If you're happy and you know it, clap your hands!

If you're happy and you know it,

Then your face will surely show it.

If you're happy and you know it, clap your hands!

If you're happy and you know it, stamp your feet!

If you're happy and you know it, stamp your feet!

If you're happy and you know it,

Then your face will surely show it.

If you're happy and you know it, stamp your feet!

If you're happy and you know it, shout Hooray!

If you're happy and you know it, shout Hooray!

If you're happy and you know it,

Then your face will surely show it.

If you're happy and you know it, shout Hooray!

If you're happy and you know it, do all three!

If you're happy and you know it, do all three!

If you're happy and you know it,

Then your face will surely show it.

If you're happy and you know it, do all three!
