You Set My Love in Motion

Syreeta

Ohh...You motivate my soul
Whenever you touch my body
Got me in your control
Sending chills up and down my spine
'Til I feel your fire
Like a burning torch is wild
As you take me higher
You are the master of making loveOoh, what you do
You set my love in motion
Your rhythm is so smooth
When you set my love in motion
Such a trembling beat of my heart
Honey, when I'm close to you
That's what you do, ooh.ooh...
We never waste much time
That look that's in your eyes
Shows me you're satisfied
Then I start coming on undone
Soon our chemistry
Blends together like we're one
Which is strategy
There's nothing else on my mind
While I'll make you mineOoh, what you do
You set my love in motion
Your rhythm is so smooth
When you set my love in motion
Such a trembling beat of my heart
Honey, when I'm closee to you
That's what you do, ooh.ooh...
Ooh, what you do
You set my love in motion
Your rhythm is so smooth
When you set my love in motion
Such a trembling beat of my heart
Honey, when I'm close to you (You set, you set)
That's what you do, ooh.ooh...
(You set, you set, you set)You set my love in motion--
Oh... oh... oh...
You set my love in motion--

Oh... oooh...
You set, you set
Oh.ohhh... ohh...Ooh, what you do
You set my love in motion
Your rhythm is so smooth
When you set my love in motion
Such a trembling beat of my heart
Honey, when I'm close to you (You set, you set)
(You set, you set, you set)Ohhhhhhhhhh... what you do.
You set my love in motion
Your rhythm is so smooth
When you set my love in motion
Such a trembling beat of my heart
Honey, when I'm close to you
