

The Oh Song

Wakey! Wakey!

Oh, oh, oh, oh...
Maybe I'm just lonely
Here with my pillow and my silent movie
And maybe I lost, I lost my mind
I'll wake up tomorrow and I'll be just fine
But I know Oh, oh, oh, oh
Maybe you already know
Smoking out your window sipping a diet Coke
Maybe you don't cause you seem just fine
And it's why I keep leaving in the middle of the night Cause I know (oh)
It's only just a matter of time (oh)
Before these walls start crumbling crumbling
It's only just a matter of time (oh)
Before these walls start crumbling crumbling (x3)
last time:
Before these walls start tumbling tumbling
