I Want You Back

[*NSYNC](#)

You're all I ever wanted
You're all I ever needed, yeah
So tell me what to do now
'Cause I, I, I, I, I, I want you backIt's hard to say I'm sorry
It's hard to make the things I did undone
A lesson I've learned too well for sure
So don't hang up the phone now
I'm trying to figure out just what to do
I'm going crazy without youYou're all I ever wanted
You're all I ever needed, yeah
So tell me what to do now
When I want you backBaby, I remember
The way you used to look at me and say
Promises never last forever
I told you not to worry
I said that everything would be alright
I didn't know then that you were rightYou're all I ever wanted
You're all I ever needed, yeah
So tell me what to do now
When I want you backI want you back, yeahYou're the one I want
You're the one I need
Girl, what can I do
You're the one I want
You're the one I need
Tell me what can I doYou're all I ever wanted
You're all I ever needed
So tell me what to do now
When I want you backYou're all I ever wanted
You're all I ever needed
So tell me what to do now
When I want you back
