

# Come Fly Away (Instrumental)

[Benny Benassi](#)

I'm glidin' in the beautiful sky, it's such a clear day, oh  
Go ridin' in your sweet lullabies, come fly away, ay oh  
I'm glidin' in the beautiful sky, it's such a clear day, oh  
Go ridin' in your sweet lullabies, come fly away  
Feels like you're beatin'  
    Beatin' the drumbeats into my heart  
    Feels like there's nothin'

Nothin' around to make me stop  
You are a motion that makes me high  
    You are a dream that burns inside  
    A magic potion, that's my soul  
Come fly with me  
Feels like you're beatin'  
    Beatin' the drum beats into my heart  
    Feels like there's nothin'

Nothin' around to make me stop  
You are a motion that makes me high  
    You are a dream that burns inside  
    A magic potion, that's my soul

Come fly with me  
I'm glidin' in the beautiful sky, it's such a clear day, oh  
Go ridin' in your sweet lullabies, come fly away, ay oh  
I'm glidin' in the beautiful sky, it's such a clear day, oh  
Go ridin' in your sweet lullabies, come fly away  
I'm glidin' in the beautiful sky, it's such a clear day, oh  
Go ridin' in your sweet lullabies, come fly away, ay oh  
I'm glidin' in the beautiful sky, it's such a clear day, oh  
Go ridin' in your sweet lullabies, come fly away
