Dreamer

Admiral Twin

She was in my mind
she was in my prayers
Loneliness is blind
discernment is rare

She was in control
Willing me to sacrifice
of my mortal soul
every last device

A broken kiss
to cut me down with

"Ooh la la, hey
Oh, little dreamer
Ooh la la, hey
Oh, little dreamer"

Was it all a dream?
Or was it all a grand design?
Troubled at her feet
Satisfaction breathed divine

From her Judas lips
came her crooked confidence
And with a wicked word
She broke my last defense

"Ooh la la, hey
Oh, little dreamer
Ooh la la, hey
Oh, little dreamer"

Cannot break disguise
Cannot breach the other side
Caught inside her web
Woven in and spellbound

"Ooh la la, hey
Oh, little dreamer

Ooh la la, hey
Oh, little dreamer"
