

24 Turned 25

Denison Witmer

I see you two times a month
At the bar around town
We have lots of common friends
But we don't talk to much of them

At your apartment it was late
The bus is done but the taxis wait
Should we go down to Second Street?
Or just stay here 'cause that scene's beat?

When 24 turned 25
I heard you tried to take your life, why?
You don't really know
When 24 turned 25
There's so much pressure in these times to be
Something that you don't
When 24 turns 25
You try to hold your head up high, why?
I don't really know
When 24 turns 25
Make this the best time of your life, why?
Well I don't really know
