

# I Believe In Love

## New Age [Feat. C.J. Nelson]

I feel the heat around me  
I feel the beat surrounds me  
Could this be for real, I wonder  
    No need for hesitation  
    It's time for celebration  
Will this be the night I've waited for  
    When angels fall in love  
Heaven knows, does it show, oh  
    If this love, will last for eternity  
        Set me on fire  
[Chorus]I believe, I believe in love  
    And like the stars above  
They shine, let it shine over me  
    Set me free I believe in you  
    And that our love is true  
    Oh I believe, I believe  
    I see that people dancing

Boys and girls romancing  
They want this to last forever  
Cause underneath the moonlight  
    Everything is alright  
We're reaching our hands up in the air  
    To where the souls alive  
Heaven knows, that it shows oh  
    If this love, will last for eternity  
        Set me on fire  
[Chorus]How could I doubt, what was meant to be  
    Everything I needed was in front of me  
Your healing touch, will lift me up in the sky, so high  
[Chorus]
