

Always Be A Child

[Ray Boltz](#)

I was there when you drew the breath of life
And I could hear your voice
The first time that you cried
And though you couldn't see me
I was very near
And there's something now
That I want you to hear You will always be a child in my eyes
And when you need some love
My arms are open wide
And even when you're growing old
I hope you realize
You will always be a child in my eyes And I was there the first time that you prayed
And I heard all the promises you made
And when you fell before me
Crying father I have sinned
I picked you up
And held you close again And you will always be a child in my eyes
And when you need some love
My arms are open wide
And even when you're growing old
I hope you realize
You will always be a child in my eyes You will always be a child in my eyes
And when you need some love
My arms are open wide
And even when you're growing old
I hope you realize
You will always be a child in my eyes You will always be a child in my eyes
