

Planet Earth (Night Version)

Duran Duran

Only came outside to watch the nightfall with the rain
I heard you making patterns rhyme
Like some new romantic looking for the TV sound
You'll see I'm right some other time Look now, look all around, there's no sign of life
Voices, another sound, can you hear me now?
This is planet earth you're looking at planet earth
Bop bop bop bop bop bop bop bop this is planet earth My head is stuck on something precious, let me know
If you're coming down to land
Is there anybody out there trying to get through?
My eyes are so cloudy I can't see you Look now, look all around
There's no sign of life
Voices, another sound
Can you hear me now?
This is planet earth, you're looking at planet earth
Bop bop bop bop bop bop bop bop this is planet earth
