

# Lovers Who Wander

Dion

When she kissed me I was born and she said goodbye  
And I knew right away I was born to cry  
Now I'm happy and the joke's on her  
'Cause I found that place for lover's who wanderShe took my love, said she's not comin' back  
So my world and my sky was all turnin' black  
Now I see the light, I'm wise to her  
'Cause I found that place for lovers who wanderA walkin' around thinkin' about her  
Never thought I could live without her  
She broke my heart, I really showed it  
Look at me now, you'd never know itNow my story can be told with a smiling face  
I'm the luckiest guy in the human race  
My dreams have gone for her  
'Cause I found that place for lover's who wanderWo wo wo yeah, she took my love you see  
Yeah, she doesn't bother me  
Yeah I found that place to be  
Yeah, ohhhhhhhhhhhhhhhhhhhhhYeah walkin' around thinkin' about her  
I never thought I could live without her  
She broke my heart, I really showed it  
Look at me now, you'd never know itNow my story can be told with a smiling face  
I'm the luckiest guy in the human race  
All my lovin' dreams have gone for her  
'Cause I found that place for lover's who wanderDumb dumb did it, dumb dumb did it
