Lassitude (Feat. Sigma & Koko)

DJ Fresh

Get on your marks and get steady
I'm not too late for it now, baby let's go get it out
We're locked so deep in a struggle
I'm not too late for it now, baby let's go get it outAnd these hard times can get real heavy
I got you runnin' around because you can't do without
Come on, if you'd only hold my hand and
Tell me nowYou and I are molded into one
And I can't get enough
The future is within your sights
And it's the hope you feel insideIt's gonna be alright
It's alright, alright, alright, alright
It's gonna be alright
It's alright, alright, alright, alrightI work hard every day that I'm given
Working all of your life, tell me there's no me or I
And I'm thankful every day that I'm living
Working all of your life, tell me there's no me or IAnd sometimes it can get too hard standing
Working hard for your life, tell me it's gonna be alright
And I'm thankful every day that I'm livin'
Working hard for your life, tell me it's gonna be alrightBut sometimes it can get too hard standing
Working hard for your life, tell me it's gonna be alright
Baby, come on if you'd only hold my hand andYou and I are molded into one
And I can't get enough
The future is within your sights
And it's the hope you feel insideIt's gonna be alright
It's alright, alright, alright, alright
It's gonna be alright
It's alright, alright, alright, alrightIt's gonna be alright
It's alright, alright, alright, alright
It's gonna be alrightWhen times are hard we get together
Make the party what it is, alright
It will be alright
