

Corpse Grinders

Scum of the Earth

Grind your worthless corpse, motherfucker
Dead and fucking, creeping the flesh
(Fuck, yeah)
Love you dead, complete forever
Corpse grinders Grind your worthless corpse, motherfucker
Dead and fucking, creeping the flesh
(Hell, yeah)
Love you dead, complete forever
Corpse grinders Filthy beast of rotten flesh
Dig in deeper, tear the death from ya
Death rattle, demented love
Tear the death from ya (Fuck, yeah)
Grind your worthless corpse, motherfucker
(Fuck, yeah)
Dead and fucking, creeping the flesh
(Fuck, yeah)
Love you dead, complete forever
