Broken Toy

Ruben Dobbs

I think you know, because it's old news
The people you love are hard to find
So I think if I were in your shoes
I would be kind
I look out for you
Come rain, come shine
What good does it do?
I guess, I'm a toy that is broken
I guess, we're just older now
I want to stay another season
See summer upon this sorry land
So don't dust off your gun
Without a reason you understand
I look out for you
Come rain, come shine
What good does it do?
I guess, I'm a toy that is broken
I guess, we're just older now
Who says a river can't leave it's waters?
Who says you walk in a line?
Who says a city can't change it's borders?
Who says you're mine?
I look out for you
Come rain, come shine
What good does it do?
I guess, I'm the record your tired of
I guess, were just older now
I guess, I'm a toy that is broken
I guess, we're just older now
