

Perfect

Depeche Mode

On another world by another star
At another place and time
In another state of consciousness
In another state of mind Everything was almost perfect
Everything fell into place
That you may reach a different verdict
Before the judge dismissed the case In a parallel universe
That's happening right now
Things between us must be worse
But it's hard to see just how And everything could have been perfect
Everything in the right place
Then I wouldn't have to play the suspect
Accused, abandoned and disgraced I didn't choose, I didn't pull the trigger
It wasn't me, I'm just a plain and simple singer
I heard the sound, I turned my head around
To watch our love shot down In another lonely universe
We're laying side by side
Where no one's hurt and no one's cursed
And no one needs to hide And everything is almost perfect
Everything is almost right
There are never any conflicts
There are never any fights
