

# Lost in the Shadows (The Lost Boys)

Lou Gramm

Say hello to the night  
Lost in the shadows  
Say hello to the night  
Lost in the loneliness  
Say hello to the night  
Lost in the shadows  
No one knows I can't wait, I can't wait, no  
When I see little lights in the shadows  
One must hide when the sun gets higher  
I don't know what this madness means Here comes the night, the bedroom in shadows  
Candlelights, I don't know where it's coming from  
But I, I keep moving on  
Till the darkest thought makes me want to try these wings Say hello to the night  
Lost in the shadows  
Say hello to the night  
Lost in the loneliness  
Say hello to the night  
Lost in the shadows  
No one knows Loneliness pours over you  
Emptiness can pull you through  
Did you go to sleep with the light on?  
I can't wait for this feeling to free me Wind blows hard, but it doesn't matter  
'Cause when the sun goes down  
Nothing else matters, the line is where the night lies  
I will wait outside her window tonight Say hello to the night  
Lost in the shadows  
Say hello to the night  
Lost in the loneliness  
Say hello to the night  
Lost in the shadows  
No one knows Loneliness pours over you  
Emptiness can pull you through  
Did you go to sleep with the light on?  
I can't wait for this feeling to free me Say hello to the night  
Lost in the shadows  
Say hello to the night  
Lost in the loneliness  
Say hello to the night  
Lost in the shadows

No one knows
