

Stay With Me Tonight

Houston Calls

Hold me close
All across to someone else
Close to the weapon
Feels tonight
Teach, teach me darling
Teach something new
I wanna make love to you

We'll be together
And my horn will grow
Little, little girl
I need your woman's touch

I'm on desire
It's running away with me
C'mon baby
Set me free

Stay with me tonight
Stay forever
Stay with me tonight
You'll discover that this felling is right
Like no other
Stay with me tonight

All my life i've dreamed to this
My satan sheets in your satan dress
I'm on desire
Is running away with me
C'mon baby set me free

Stay with me tonight
Stay forever
Stay with me tonight
You'll dsicover
That this feelings is right
Like no other
Stay with me tonight

oh...

Stay with me tonight

Stay forever

Stay with me tonight

You 'll dicover

That this feeling is right

Like no other

Stay with me tonight

Stay,stay with me , stay with me baby

uh..

Oh..

All my satan sheets to golf your satan dress
