Human Contact (Clean)

Catey Shaw

You were talking loud
I was waiting for a noise complaint
You just gave the look
I must have said something you hate
Now you want to argue
You want to tell me everything that's wrong
But I'm so distracted
'Cause they're playing my favorite songOoh ooh, doesn't matter
Ooh ooh, we're together
Ooh ooh, doesn't matter, no
If you just shut that pretty mouth
We'll forget what the fight's about
Come on, just let me turn you out
With human contact
If you just shut that pretty mouth
Baby we, we could burn it down
Come on, let's turn this sh-t around
With human contactBa ba ba ba ba by ah
Ba ba ba ba ba by ah
Ba ba ba ba ba by ahBa ba ba ba ba by ah
Ba ba ba ba ba by ah
Ba ba ba ba ba by ahBaby, can't you see that your point's already made
Can't you let it go, let's listen to the music play
Right now I've forgot what we were even mad about
Let's quit sitting here, let's work this matter out
Ooh ooh, doesn't matter
Ooh ooh, we're together
Ooh ooh, doesn't matter, noIf you just shut that pretty mouth
We'll forget what the fight's about
Come on, just let me turn you out
With human contact
If you just shut that pretty mouth
Baby we, we could burn it down
Come on, let's turn this sh-t around
