

Do It 2 Me

Allstar Weekend

I can feel your heartbeat as we intertwine
Like the beat of a million drums marching in line
Everything is spinnin' just in perfect time
Yeah, the music is finally comin' alive

The way your hair just dances through the breeze,
Any place you're going's where I wanna be,
And I know without you, I'd be incomplete.

I want it,
I need it,
I'm begging you please.

You do it, you do it, you do it to be.

[chorus]

There's somethin' 'bout the way you sleep,
When you're lying next to me.
I don't know how you do your thing, no.
But you do it, you do it, you do it to me.

You do it , you do it, you do it to me. (x3)

You can feel me tossin' and turnin', tell me I'll be alright.

And the flame from a million sparks has to ignite,
And the world of a boy and a girl starts to collide,
Yeah, the fire is finally burning tonight.

I like when you're screaming woah, (woah)
Backseat, you're pinning me down.
I can feel your eyes and they're undressing me,

I want it,
I need it,
I'm begging you please.
You do it, you do it, you do it to me.

[chorus]

You do it, you do it, you do it to me. (x3)

The way you walk,
The way you talk,

The way you grove,
You're not afraid to move.
The way you shake,
Shake it down,
Mix it up.
You know there's somethin' 'bout
The way you live,
The way you laugh,
The way you love.
You're not afraid to (woo!)
The way you kiss,
Lick your lips,
Twist your hair.

[chorus] (x2)

You do it, you do it, you do it to me. (x3)

The way you walk,
The way you talk,
The way you grove,
You're not afraid to move.
The way you shake,
Shake it down,
Mix it up.
You know there's somethin' 'bout
The way you live,
The way you laugh,
The way you love,
You're not afraid to (woo!)
The way you kiss,
Lick your lips,
Twist your hair.

You do it to me.
