

# Stay with Me

## Faces

In the mornin' don't say you love me  
'Cause I'll only kick you out of the door  
I know your name is Rita 'cause your perfume's smelling sweeter  
Since when I saw you down on the floor, guitar You won't need too much persuadin'  
I don't mean to sound degradin'  
But with a face like that  
You got nothin' to laugh about Red lips, hair and fingernails  
I hear you're a mean old jezebel  
Lets go up stairs  
And read my tarot cards, come on [Incomprehensible] Stay with me, stay with me  
For tonight you'd better stay with me, oh yeah  
Stay with me, stay with me  
For tonight you'd better stay with me So, in the mornin', please don't say you love me  
'Cause you know I'll only kick you out the door  
Yeah, I'll pay your cab fare home, you can even use my best cologne  
Just don't be here in the mornin' when I wake up, come on, honey Stay with me, stay with me  
'Cause tonight you're gonna stay with me  
Sit down, get up, get out  
Stay with me, stay with me  
'Cause tonight you're gonna stay with me  
Hey what's your name again Get out Get yourself home  
This is [Incomprehensible]
