

# Markovian Process

## Bad Religion

You will all say that I am surely crazy  
Only an unrepentant pessimist  
Whose thoughts should be detained But facts are sterile, not vulgar nor sublime  
And they're not religion, they're for everyone  
And signify the times Today is a window, tomorrow the landscape  
All you need to do is take a look outside  
To know what we're bound to face The level of disparity the common man  
The manner of destruction of the native land  
The poverty of reprisal from all involved  
And the scathing trajectory from the past Markovian process lead us not in vain  
Prove to our descendants what we did to them  
Then make us go away
