

# Doubtful Comforts

## Blue Roses

When you come home tonight my love  
Will you take me our somewhere?

You're sp good at getting my hopes up  
Where they don't belong  
I can't reach them

This is the place that appears in my mind  
Covered with orange lights  
That I've seen countless times  
When can we find a place where we'll stay for a while?  
Till we come back in style  
Oh, they don't know the hall of it

Oh, crumble and fall  
You don't have to carry the weight of it all
