FUNKY-TUNK

Moby Grape

Oh my dove, where are you goin'?
Where you goin' down the road?
Oh my dove, where are you goin'?
Where you're goin' down the road?I'm a goin' to see the city
Goin' to a movie, to see a showHow come you got no clothes on?
How come you ain't got on your clothes on?I'm a-goin' to see them city fellers
To see them city fellers, what they're likeAnd my funky-tunk keep on walkin'
Keep on walkin' down that roadMay a bird build a nest
Build a nest just for you
May a bird build a nest
Build a nest just for you
Yeah
