

# FUNKY-TUNK

## Moby Grape

Oh my dove, where are you goin'?  
Where you goin' down the road?  
Oh my dove, where are you goin'?  
Where you're goin' down the road? I'm a goin' to see the city  
Goin' to a movie, to see a show How come you got no clothes on?  
How come you ain't got on your clothes on? I'm a-goin' to see them city fellers  
To see them city fellers, what they're like And my funky-tunk keep on walkin'  
Keep on walkin' down that road May a bird build a nest  
Build a nest just for you  
May a bird build a nest  
Build a nest just for you  
Yeah
