Wildcat! Wildcat!

How young child
Remember that stare
Put your head down low
Keep your head down low
Play that game
Hall of fame
Put your head down low
Fighting with your head down lowAre we oh, are we oh, yeah
Just kids on the go-go, yeah
Are we what, are we what, thoughJust to play with our heads low
Just to play with our heads lowOh, we are okay on the edge
Oh, we are okay on the edge
Oh, we are okay on the edge
On the edge!
Take a bow
Never stop
Feels just like we are standing on the edge of the world
All along, never know what we [?]
Maybe once, killed the [?]
Feels just like we are standing on the edge of the world
Take our time, find a line
We need to forget
