## The Archies

(Ba ba bom bom bom bom ba ba bom ba ba)  
(Ba ba bom bom bom bom ba ba bom ba ba)  
You little angel you  
You got me feeling like I never felt before  
You got me feeling like I'm right at heaven's door  
And I love this feeling so(Ba ba bom bom bom bom ba ba bom ba ba)  
(Whooooooooooooooooooooa)  
(Ba ba bom bom bom ba ba bom ba ba)  
You little angel you  
(Whooooooooooooooooooooa)  
It's like I'm dreaming when I look into your eyes  
(Whooooooooooooo)  
And when your holding you it's just like paradise  
So don't ever let me go  
(Ba ba bom bom bom bom ba ba bom ba ba)  
(Whooooooooooooooooooooa)  
(Ba ba bom bom bom ba ba bom ba ba)  
Tell me were you sent from up above  
Did heaven send you down for me to love  
Are you really mine and will you stay  
Or will I open up my eyes and find you've gone awayYa  
You little angel you  
(Whooooooooooooooooooooa)  
It's like I'm dreaming when I look into your eyes  
(Whooooooooooooooooooooa)  
And when your holding me it's just like paradise  
So don't ever let me go(Ba ba bom bom bom bom ba ba bom ba ba)  
(Whooooooooooooooooooooa)  
(Ba ba bom bom bom ba ba bom ba ba)  
Are you really mine and will you stay  
Or will I open up my eyes and find you've gone awayYa  
You little angel you  
(Whooooooooooooooooooooa)  
You got me feeling like I never felt before  
(Whooooooooooooooooooooa)  
You got me feeling like I'm right at heaven's door  
And I love this feeling so(Ba ba bom bom bom bom ba ba bom ba ba)  
(Whooooooooooooooooooooa)  
(Ba ba bom bom bom ba ba bom ba ba)

(Whooooooooooooooooooooa)
