Everythings Just Wonderful

Lily Allen

Do you think
Everything
Everyone
Is goin' mental
It seems to me
It's spiraling
Out of control
Well dont you think
This time is yours
This time is mine
Its temperamental

It seems to me
We're on all fours
Crawling on your knees someone help us please

Oh Jesus Christ Almighty
Do i feel alright?
No not slightly
I wanna get a flat and no i can't afford it
Its just those bureacrats that wont give me a mortgage
Its very funny cause I got your fucking money
and I'm never gonna get it just of my bad credit
Oh well I guess I mustn't grumble
I suppose it's just the way the cookie crumbles

Oh yes I'm fine
Everything's just wonderful
I'm having the time of my life

Well do you want
Something else
Something new
Than what we got here
Well do you feel
Its all the same
Some sick game
Its so insincere

I wish i could

Change the ways
Of the world
Make it a nice place
Until that day
I guess we stay
Doin' what we do, screwin' who we screw

Why can't i sleep at night
Gonna say its gonna be alright
I wanna be able to east spaghetti bolognese
And not feel bad about it for days and days and days

All the magazines they talk about weight loss
If i buy those jeans
I can look like Kate Moss
I know its not the life that i chose
But i guess thats just the way that things go
