

# Natural Anthem

Jesse Davis

I'll write you a song and it won't be hard to sing  
It will be a natural anthem, familiar it may seem  
It will rally all the workers on strike for better pay  
And its chorus will resound and boost morale throughout the day

I'll write you a song and I hope that you won't mind  
Because all the names and places, I have taken from real life  
So please, don't be upset at this portrait that I paint  
It may be a little biased but at least I spelt your name right
