

We Could Have Been

Vince Gill

Today at work I overheard a name
I knew it wasn't yours, but it touched me just the same
It felt so good to have you in my mind
Guess I'm the sentimental kind
Ooh I wonder who you became
Did you change the world or play the game
We came so close to love back then
We could have been
You were so brave when I was shy
I made you laugh when something made you cry
And I don't think we ever said goodbye
Now I'll always wonder why
Oh I wonder who you became
Did you change the world or play the game
We came so close to love back then
We could have been
A time or two, I thought about calling
But something always gets in the way
Maybe I'm afraid you'd really answer
What would I say to you
Oh I wonder who you became
Did you change the world or play the game
We came so close to love back then
We could have been, we could have been
