

Ready An' Willing

Whitesnake

I want to be loved
Don't want to be teased
I don't want no woman
Getting down on her knees I'm ready an' willing
To reach for the sun
So I can get me some loving
Before I'm gone I want more, more, more, more
I want some more of that
Sweet satisfaction to soothe my soul I want you to rock me
All night long
Rope an' ride me, baby
Do me wrong Roll me over, make be bleed
I'd dance with the devil
To get what I need
I need more, more, more, more
I need some more of that
Sweet satisfaction to soothe my soul get this crazy feeling inside my soul
And it's driving me insane
I get this crazy feeling
Can you feel it, baby
It's driving me out of my mind
I'm talking about sweet satisfaction
I'm ready an' willing, sweet satisfaction
I'm ready an' willing, sweet satisfaction
Sweet satisfaction
I'm ready an' willing I get this crazy feeling inside my soul
And it's driving me insane
I get this crazy feeling
Can you feel it, baby
It's driving me out of my mind
I keep on looking for Sweet satisfaction, I'm ready an' willing
Sweet satisfaction, I'm ready an' willing
Sweet satisfaction, I keep on looking
Sweet satisfaction, I keep on looking
Sweet satisfaction, I'm ready an' willing
Sweet satisfaction, I'm ready an' willing
Sweet satisfaction, I keep on looking
Sweet satisfaction, I'm ready an' willing
Sweet satisfaction, I'm ready an' willing

Sweet satisfaction, it's gonna find me
Sweet satisfaction, baby, baby
Sweet satisfaction
Sweet satisfaction
