

Baby Wanna Dance

Steve Miller Band

Baby wanna dance with me (Come on baby)
Baby wanna dance with me (Sure enough now)
Baby wanna dance with me (Come on mama)
Baby wanna dance with me (Get down woman)
Baby wanna dance with me (What'd I say)
Baby wanna dance with me
Baby wanna dance with me (Let's rock 'n roll)
Baby wanna dance with me
Baby wanna dance with me
Baby wanna dance with me
Baby wanna dance with me (Come on baby)
Baby wanna dance with me There've been some lonely, lonely nights
I've seen some lonely, lonely sights
I got to make it through the night
Come on baby
Say you'll be my girl Baby wanna dance with me (Come on baby)
Baby wanna dance with me (Sure enough now)
Baby wanna dance with me (Come on mama)
Baby wanna dance with me (Get down woman)
Baby wanna dance with me (What'd I say)
Baby wanna dance with me
Baby wanna dance with me (Let's rock 'n roll)
Baby wanna dance with me
Baby wanna dance with me
Baby wanna dance with me
Baby wanna dance with me (Come on baby)
Baby wanna dance with me There've been some lonely, lonely nights
I've seen some lonely, lonely sights
We got to make it through the night
Come on baby
Say you'll be my girl
