

# Outlaw (feat. Tim Armstrong)

## The Lordz

Advisory - the following lyrics contain explicit language:

[Chorus:] I'm an outlaw baby, I'm an outlaw baby  
I'm an outlaw baby, and you ain't ever gonna bring me in  
I'm an outlaw baby, I'm an outlaw baby  
I'm an outlaw baby, and you ain't ever gonna bring me in With our fixes in, I don't trust it (trust it)  
Smoke that's strong then you dust it (dust it)  
And when your ways are old, then you're rusted (rusted)  
Except to us, you get busted (busted)  
It's our city, gonna take it (take it)  
Rancid roll mistaken (mistaken)  
And if it ain't broke, gonna break it (break it)  
And if it ain't mine, gonna take it [Pre-Chorus:] Now someone better tell me something  
Something I don't already know  
'Cause this brigade is gonna rock the world  
Lordz are in control [Chorus] It started way back in the day as a young one  
Noticing what life's about and how to get it done  
I'm an outlaw, 'member I ain't got nothing to lose  
Socket full of dreams that were never controlled  
But I'm still here going for mine  
You could never hold me back, take a little ride, chase the wine  
This time, and this is your shot from the block, it's hot  
Man I never give up what I got [Pre-Chorus] [Chorus] I'm an outlaw baby, breaking law kind of sore  
The best you ever saw, dirty rotten to the core  
I'm a hellcat in a black Cadillac  
Sharkskin suit with a feather in the hat  
East coast, bay shops, Purple Bay Ridge  
I'm an outlaw baby from the Verrazano Bridge  
(Whoa, Rancid) I'm an outlaw baby from the Verrazano Bridge [Chorus] I'm an outlaw baby  
I'm an outlaw baby, 'cause this brigade is gonna rock the world  
I'm an outlaw baby, Lordz are in control  
I'm an outlaw baby, you ain't ever gonna bring me in
