# Life Without You

## Tony Christie

Life without you wears me down
My heartaches go to town
And every night the tears come rolling down

As your memory
Laughs at me

Life without you isn't on
I've stayed away too long
I tried to give you up but that was wrong

'Cause I think of you
When I shouldn't do
And other times I sit and wonder where my life has gone

As your memory
Laughs at me

Life without you isn't fun
In fact, it can't be done
Why should I beat my head against the wall?

Might as well admit
That I'm tired of it
And I'm finding out that life without you isn't life at all

Is my love for you
Still enough for you?
'Cause I'm finding out that life without you isn't life at all
Isn't life at all
It isn't life at all
It isn't life at all
Isn't life at all
