

There Is a Light

Great Lake Swimmers

There is a light in you, I have fallen into
There is a light in you, I've fallen into, fallen into Put all your repents away, I won't fine you just to spine you
Put all your repents away and your mask it's falling away, falling away Stop, listen and fear, stop, listen and fear
Stop, listen and fear, plead, plead And the flowers is in awe, I won't have anymore
This is what we call a park, I won't have it anymore Stop, listen and fear, stop, listen and fear
Stop, listen and fear, plead, plead Put all your repents away, can end all your casual ties
Put all your repents away and end all your casual ties, casual ties Leave all your lives, believe in your lives
Leave all your lives, believe in your lives
Leave all your lives, believe in your lives
Leave all your lives, believe in your lives
