Girl Done Gone

Graham Coxon

My girl done gone now
My girl done gone oh yeah
My girl done gone now
My girl done gone oh yeahI really need you, need you to lead me through
I want to know you know you would be so true
Oh Lord what have I done? Oh Lord what have I done?
Oh LordGonna let you win girl
Gonna let you win oh yeah
Gonna let you win girl
Gonna let you win oh yeahI know you'll leave me you'll leave me high and dry
You're gonna deceive me you're gonna to see me cry
Oh Lord what have I done? Oh Lord what have I done?
Oh Lord
