

In And Out Of Love

Armin van Buuren

See the mirror in your eyes
See the truth behind the lies
Your lies are haunting me
See the reason in your eyes
Giving answer to the why
Your eyes are haunting me
Huh
Huh
Falling in and out of love
In love, in love,
Huh
Falling in and out of love
Your love, your love,
Huh
Falling in and out of love
Your love, your love,
Huh
Falling in and out of love
Your love
See the mirror in your eyes
See the truth behind the lies
Your lies are haunting me
See the reason in your eyes
Giving answer to the why
Your eyes are haunting me
Huh
Falling in and out of love
In love, in love, in love
Huh
Falling in and out of love
Your love, your love, your love
Your love, your love, your love
Your love, your love, your love
Your love, your love, your love
Your love, your love, your love
Huh
Falling in and out of love
Your love, your love, your love
Huh
Falling in and out of love
Your love, your love, your love
Why can't you see it
Why can't you feel

In and out of love each time
Why can't you feel it
Why can't you see it
In and out of love I keep keep running
I keep keep falling
Love is fade away You keep keep running
I keep keep falling
Love is fade away Keep keep running
I keep keep falling
Love is fade away Huh
Away, away, away,
Away, let it fade away
