

The Way We Are

Tyler Ward

We have been told there's only one way to go
But we live different lives, dreams to unfold
Like a kaleidoscope, reflecting hundred skies

No hiding, no faking
This life 'cause it's amazing
You want it, you need it
Beware! It's so contagious
Call it strange
This is the way we are
For beyond your dreams
Break your chains
Open your mind for more
See what it's like to be
The way we are
The way we are
We are so high

We dance on the edge of the sky
Where no one dares to go, flashes of light

Tell us the time is right
To blow your mind once more
No hiding, no faking
This life 'cause it's amazing
You want it, you need it
Beware, it's so contagious
Call it strange
This is the way we are
For beyond your dreams
Break your chains
Open your mind for more
See what it's like to be
The way we are
The way we are
No hiding, no faking
This life 'cause it's amazing
Call it strange

This is the way we are
For beyond your dreams
Break your chains
Open your mind for more

See what it's like to be
The way we are
No hiding, no faking
This life 'cause it's amazing
The way we are
