Before The Night Is Over

Bryan Adams

Hey baby, but I got someone an' you got someone too
Hey baby, but I don't know what we're gonna do
How can somethin' wrong feel so right?
C'mon baby hold on tight
Before the night is over
We gonna get what we desire
Remember what I told ya
This could set our hearts on fire
Hey baby, we're old enough to know that it's a sin
Hey baby, oh the door is open, slide on in
Yea, this feels too good to be true
I'll tell you what I wanna do
Before the night is over
We gonna get what we desire
Remember what I told ya
This could set our hearts on fire
Before the night is over
We gonna get what we desire

Remember what I told ya
This could set our hearts on fire
Yeah! Before the night is over
We gonna get what we desire
Remember what I told ya
This could set our hearts on fire
Before the night is over
We gonna get what we desire
Before the night
Before the night
Before the night is over
Gonna get what we desire
This could set our hearts on fire
Before the night
Before the night
Before the night is over
I don't wanna tell a lie
This is somethin' we can't hide
Before the night is over
