

I Want a Little Girl (Single Version)

[Ray Charles](#)

I want a little girl call my own
She must be someone
Who's all alone now
Said, I want a little girl
To fall in love with me
Ohh, yeah-eah-eah You know, I want a little girl
She may not look
Just like the picture
In a story book
But if she can cook chicken, yeah, she'll suit me to a T, now Oh, now, she don't have to wave her hair
Or wear fancy clothes
And I don't even care, if she don't wear nylon hose, ohh'Cause I want a little girl, to love a lot
I said I'll give her everything I've got now
Because I want a little girl to fall in love with me
