

Little Lotto (feat. Alo Wala & M. C. Zulu)

Nucleya

Every body want what they really don't got
Stretch Little lotto till they hit the jackpot
long line to the top
puff puff choke it up
Super fine sugar daddy make me tea track
Kevlar Chains and align the magazines
we got all the juice
it's not what it seems
Burry that game in the cookies and cream
beer mets scheme gone boast at the scene
you are over all
where'd you put the loot
got no loot mommy press law suit
court date mere dry clean that suit
pappy ain't dilute now you fishing for the root
go
daddy turn new not a people don't praise
up up in the clouds not a vision in heads
bling bling blong yo could be no phase
move a love of the cause still grey
you done no
oi oi oh
oh
"(dont understand because of the beats and accent)â€™"
oh

Alo wala
hit them with the truth on world wide webs
right now the fans so nice
with the mad one
MC ZULU

you done no
oi oi oh
