O holy night

Luciano Pavarotti

Oh holy night, the stars are brightly shining
It is the night of our dear Savior's birth
Long lay the world in sin and error pining
Till He appeared and the soul felt it's worthA thrill of hope, the weary world rejoices
For yonder breaks a new and glorious morn
Fall on your knees
Oh, hear the angel voicesOh, night divine
Oh, night when Christ was born
Oh, night divine
Oh night, oh night divineTruly He taught us to love one another
His law is love and His gospel is peace
Chains, shall He break for the slave is our brother
And in His name all oppression shall ceaseSweet hymns of joy in grateful chorus raise we
Let all within us praise His holy name
Christ is the Lord
Their name, forever praise weNoel, Noel
Oh night, oh, night divine
Noel, Noel
Oh night, oh, night divine
Noel, Noel
Oh, oh, holy night
