

Juliet

Lmnt

Hey Juliet, hey JulietHey, I've been watching you, every little thing you do
Every time I see you dance
In my homeroom class, makes my heart beat fast
I've tried to page you twice but I see you roll your eyes
Wish I could make it real
But your lips are sealed, that ain't no big deal'Cause I know you really want me, yeah
I hear your friends talk about me, yeah
So why you tryin' to do without me, yeah
When you got me, where you want me, hey JulietI think you're fine, you really blow my mind
Maybe someday, you and me can run away
I just want you to know, I wanna be your Romeo
Hey Juliet, hey Juliet, hey JulietGirl, you got me on my knees, beggin', "Please, baby, please"
Got my best DJ on the radio waves sayin'
"Hey Juliet, why do you do him this way?"
Too far to turn around, so I'm gonna stand my ground
Give me just a little bit of hope
With a smile or a glance, give me one more chance'Cause I know you really want me, yeah
I hear your friends talk about me, yeah
So why you tryin' to do without me, yeah
When you got me, where you want me, hey JulietI think you're fine, you really blow my mind
Maybe someday, you and me can run away
I just want you to know, I wanna be your Romeo
Hey Juliet, hey Juliet, hey JulietI know you really want me
I hear your friends talk about me
So why you tryin' to do without me
When you got me, where you want me?You don't have to stay forever
For us to hang together
So hear me when I say
"Hey Juliet, hey Juliet, hey Juliet"I think you're fine, you really blow my mind
Maybe someday, you and me can run away
I just want you to know, I wanna be your Romeo
Hey Juliet, hey JulietI think you're fine, you really blow my mind
Maybe someday, you and me can run away
I just want you to know, I wanna be your Romeo
Hey Juliet, hey Juliet, hey Juliet
Hey Juliet, hey Juliet, hey Juliet
Hey Juliet
