Someday We'll Know

New Radicals

90 miles outside Chicago Can't stop driving, I don't know why So many questions, I need an answer

Two years later, you're still on my mindWhatever happened to Amelia Earhart?

Who holds the stars up in the sky

Is true love just once in a lifetime?

Did the captain of the Titanic cry?Someday we'll know if love can move a mountain Someday we'll know why the sky is blue

Someday we'll know why I wasn't meant for youDoes anybody know the way to Atlantis?

Or what the wind says when she cries?

I'm speeding by the place that I met you

For the 97th time tonightSomeday we'll know if love can move a mountain

Someday we'll know why the sky is blue

Someday we'll know why I wasn't meant for youSomeday we'll know why Samson loved Delilah One day I'll go dancing on the moon

Someday you'll know that I was the one for youI bought a ticket to the end of the rainbow

I watched the stars crash in the sea

If I could ask God just one question

Why aren't you here with me tonight?Someday we'll know if love can move a mountain Someday we'll know why the sky is blue

Someday we'll know why I wasn't meant for youSomeday we'll know why Samson loved Delilah One day I'll go dancing on the moon

Someday you'll know that I was the one for you
