

# And You and I

## Yes

A man conceived a moment's answers to the dream  
Staying the flowers daily, sensing all the themes  
As a foundation left to create the spiral aim  
A movement regained and regarded both the same  
All complete in the sight of seeds of life with you  
Changed only for a sight the sound, the space agreed  
Between the picture of time behind the face of need  
Coming quickly to terms of all expression laid  
Emotion revealed as the ocean maid  
All complete in the sight of seeds of life with you  
Oh, coins and crosses never know their fruitless worth  
Cords are broken locked inside the mother earth  
They won't hide, they won't tell you  
Watching the world, watching all of the world  
Watching us go by  
And you and I climb over the sea to the valley  
And you and I reached out for reasons to call  
Coming quickly to terms of all expression laid  
Emotion revealed as the ocean maid  
As a movement regained and regarded both the same  
All complete in the side of seeds of life with you  
Sad preacher nailed upon the colored door of time  
Insane teacher be there reminded of the rhyme  
There'll be no mutant enemy we shall certify  
Political ends, as sad remains, will die  
Reach out as forward tastes begin to enter you  
I listened hard but could not see  
Life tempo change out and inside me  
The preacher trained in all to lose his name  
The teacher travels, asking to be shown the same  
In the end, we'll agree, we'll accept, we'll immortalize  
That the truth of the man maturing in his eyes  
All complete in the sight of seeds of life with you  
Coming quickly to terms of all expression laid  
As a moment regained and regarded both the same  
Emotion revealed as the ocean maid  
A clearer future, morning, evening, nights with you  
And you and I climb, crossing the shapes of the morning  
And you and I reach over the sun for the river  
And you and I climb, clearer, towards the movement  
And you and I called over valleys of endless seas
