Bittersweet

Nola AdÃ©

In the A.M.
I wake up all alone
Thereâ€™s no you
in the A.M.
Where in my arms but my inside yearns
In the A.M.
Looking I had another day without you
In the A.M.
Bridge
When you know thatâ€™s its over
You given it your best
Never given up before today
Because you know itâ€™s the end
That lady sing-a-long song
And you sing along
Made me love you once before but now I know I got to let you go
Chorus
Bittersweet (bittersweet)
Bittersweet (bittersweet)
Bittersweet, bittersweet, bittersweet
Bittersweet, yeah (bittersweet)
Bittersweet, yeah
Bit-er, Bit-ersweet

Verse 2
In the A.M.
Ready to live my own story
I know now
Life doesnâ€™t seem so bad without you
In the A.M.
It wasnâ€™t you, it wasnâ€™t you
I know now
I know no-ow
(Bridge)
(Chorus)
See I sing my self-story and I shed my last tear
Couldnâ€™t change the past no, even if I tried
I know the one for me is better, much better than the rest
Thereâ€™s a better feeling in my chest

Thatâ€™s reached its peak
It could only get
Sweet-er
SWEET-ER
SWEET-ERRR x 4
Bittersweet x 8
Bitt-er
Bittersweet
