Lady Picture Show

Stone Temple Pilots

Lady picture show
She hides behind the bedroom door
Lady picture show
She hides behind the bedroom wall
She hides because she don't know nothin'
Don't know nothin' anymore
She keeps a funny face it's locked and bagged
It's just outside the door
She doesn't know her name
She doesn't know her face
She doesn't know her name
She doesn't know her face
Lady picture girl
I think them boys don't like your show
Lady picture show them
Boys are gone, should just say no
Your wedding presents
Not so daisy picture perfect anymore
Lady funny face it's locked and bagged
It's just outside the door
She doesn't know her name
She doesn't know her face
She doesn't know her name
She doesn't know her face
Look at me
Look at me
Look at me
She doesn't know her name
She doesn't know her face
Lady picture show
She hides behind the bedroom door
Lady picture show
She hides behind the bedroom wall
She hides because she don't know nothin'
Don't know nothin' anymore
She keeps a funny face it's locked and bagged
It's just outside the door
She doesn't know her name
She doesn't know her face

She doesn't know her name
She doesn't know her face
Look at me
Look at me
Look at me
