

Please Don't Touch (feat. Girlschool)

Motörhead

Don't you touch me baby 'cause I'm shakin' so much
Don't you touch me baby 'cause I'm shakin' so much
Don't you touch me baby 'cause I'm shakin' so much
Don't you touch me baby 'cause I'm shakin' so much Well there ain't no other woman that can make me feel
this way
(Don't you touch me baby 'cause I'm shakin' so much)
I come up close and I ain't got a word to say
(Don't you touch me baby 'cause I'm shakin' so much) Please don't touch, I shake so much
Please don't touch, I shake so much Don't you touch me baby 'cause I'm shakin' so much
Don't you touch me baby 'cause I'm shakin' so much Well I get so nervous when chills run down my spine
(Don't you touch me baby 'cause I'm shakin' so much)
I looked her in the eyes the rest of her I just couldn't find
(Don't you touch me baby 'cause I'm shakin' so much) Please don't touch, I shake so much
Please don't touch, I shake so much I don't know why she's got her claws in me
I wanna be a bachelor fancy free
Runnin' from the preacher, oh what a relief
Spending my life just shakin' like a leaf I remember the first time her ruby lips brushed my cheek
(Don't you touch me baby 'cause I'm shakin' so much)
Well I opened up my mouth but the rest of me just couldn't speak
(Don't you touch me baby 'cause I'm shakin' so much) Please don't touch I shake so much
Please don't touch I shake so much Don't you touch me baby 'cause I'm shakin' so much
Don't you touch me baby 'cause I'm shakin' so much I don't know why she's got her claws in me
I wanna be a bachelor fancy free
Runnin' from the preacher, oh what a relief
Spending my life just shakin' like a leaf I remember the first time her ruby lips brushed my cheek
(Don't you touch me baby 'cause I'm shakin' so much)
I opened up my mouth but the rest of me just couldn't speak
(Don't you touch me baby 'cause I'm shakin' so much) Please don't touch, I shake so much
Please don't touch, I shake so much Don't you touch me baby 'cause I'm shakin' so much
Don't you touch me baby 'cause I'm shakin' so much
Don't you touch me baby 'cause I'm shakin' so much
Don't you touch me baby 'cause I'm shakin' so much
