Thank You & Goodnight

Tonight Alive

I'm feeling stuck here,
Break it up, break it up.
A little low here,
Take it up, take it up.
I'm getting bored here,
Shake it up with me, now.

You're even starting a game,
and it's coming through.
I'm saying you're still the same,
But who's blaming you?
Well I know that you can't help it.

I need to,
Pull myself together,
If we're talking about forever,
Then this room just got a little bit smaller.
And it's not like I signed up for this.
I'm sorry, but I just got to be honest,
You're not my type,
No hard feelings,
Thank you and good night.

I'm lost for words here,
Make it up, make it up.
This is the worst can I,
Shut you up, shut you up.
I got a chill so bottoms up with me, now.
You think you're playing the game
Well, it's playing you.
I think you all act the same,
But who's blaming you?
Well, I know that you can't help it.

I need to,
Pull myself together,
If we're talking about forever,
Then this room just got a little bit smaller.
And it's not like I signed up for this.
I'm sorry, but I just got to be honest,

You're not my type,
No hard feelings,
Thank you and good night.

Well I just don't know,
I kinda wanna go,
I wonder if she knows,
I'm ready to go.

You can't help it,
I can't help but wonder why, wonder why.
You can't help it,
I can't help but wonder why, wonder why.

I need to,
Pull myself together,
If we're talking about forever,
Then this room just got a little bit smaller.
And it's not like I signed up for this.
I'm sorry, but I just got to be honest,
You're not my type,
No hard feelings,

Now I need to,
Pull myself together,
If we're talking about forever,
Then this room just got a little bit smaller.
And it's not like I signed up for this.
I'm sorry, but I just got to be honest,
You're not my type,
No hard feelings,
Thank you and good night.

Thank you and good night.
Thank you and good night.
