

# All the Girls Love Alice

Ted Howe

Raised to be a lady by the golden rule  
Alice was the spawn of a public school  
With a double barrel name in the back of her brain  
And a simple case of 'Mummy-doesn't-love-me' blues  
Reality, it seems was just a dream  
She couldn't get it on with the boys on the scene  
But what do you expect from a chick who's just sixteen  
And hey, hey, hey, you know what I mean  
All the young girls love Alice  
"Tender, young Alice", they say  
Come over and see me  
Come over and please me  
Alice, it's my turn today  
All the young girls love Alice  
"Tender, young Alice", they say  
If I give you my number  
Will you promise to call me?  
Wait till my husband's away

Poor little darling with a chip out of her heart  
It's like acting in a movie when you got the wrong part  
Getting your kicks in another girl's bed  
And it was only last Tuesday, oh, they found you in the subway dead  
And who could you call our friends down in Soho  
One or two middle-aged dykes in a Go-Go  
And what do you expect from a sixteen year old yo-yo  
And hey, hey, hey, oh, don't you know?  
All the young girls love Alice  
"Tender, young Alice", they'd say  
Come over and see me  
Come over and please me  
Alice, it's my turn today  
All the young girls love Alice  
"Tender, young Alice", they'd say  
If I give you my number  
Will you promise to call me?  
Wait till my husband's away
