Because of You

2-U-Neek

im gonna be fine
you left me alone
can i heal the wounds myself
so what can i do
and why did you come
to make my heart beat for you
Don't , Don't lose my mind
Dream of you again
And i look to you as it fell
I want to make a wish in the well
Hold me tight show your love
Everytime i trade my sold because of you
If you wanna be in my way cuz of me
The star
Were shinning to me away
Whispering i want you to know you'r my world
Everytime i crazy is because of you
If you're lookin right at me because of love
To me it's a pretty wonderland
Do not make me make me cry again
I need you right now
Im gonna be fine
You left me alone
Can i heal the wounds myself
So what can i do
And why did you come
To make my heart beat for you
Don't, Don't lose my mind
Dream of you again
And i look to you as it fell
I want to make a wish in the well
Hold me tight show your love
Everytime I'm crazy is because of you
If you're looking right at me because of love
To me it's a pretty wonderland
Do not make me make cry again
I need you right now
Hey boy do not shy
Why not we have a try

Stay next to me, push the bad memories aside
Put me in the palm of you
All my life time i will be thinking of you
Everytim im trade my sold because of you
If you wanna be in my way cuz of me
The stars
Were shining to me away
Whispering i want you to know youre my world
Everytime im crazy is because of you
If youre looking right at me because of love
To me its a pretty wonderland
Do not make me make me cry again
i need you right now
